(iii) City and Association shall jointly undertake to crown, seed, and irrigate the playing field on the Premises at such time or times as the parties shall mutually agree and as necessary funds are available. Any use by either party during such period of crowning and seeding the playing field

of the Premises shall be subject to such repairs and alteration.

- (iv) The City shall be responsible for all maintenance of the Premises for the period from April 1 through August 15 of each year, which maintenance shall consist of the following: seeding, sodding, fertilizing, mowing and repair of the grounds and maintenance of any City-made improvements, including any fencing. - (v) Each party recognizes that the Premises is to be used by the other and shall use all reasonable efforts to minimize or correct damages to the Premises which may affect its reasonable use by the other and for the purposes intended.

(C) Upon closing of the acquisition of the School Site by Association from School District, the parties shall execute and deliver a recordable Use Agreement in the form attached hereto as Exhibit C (the "Use Agreement").

(3) RIGHT OF FIRST REFUSAL TO PURCHASE

(A) The Association grants to City the right of first refusal to purchase (the "Right of First Refusal") the Premises in accord with the terms and conditions of this Agreement and the Use Agreement. Where language in this paragraph or Agreement refers to the "Association," it shall be interpreted to mean the current owner of the School Site if the owner is other than the Association.

(B) The Right of First Refusal shall be exercised, if at all, by City upon the proposed sale of School Site and the Premises to a third party by Association. The Association shall declare such intention of proposed sale in writing to the City pursuant to the Use Agreement.

(C) The City shall have thirty (30) days from receipt of the Notice of Declaration from Association in order to exercise the Right of First Refusal. The City shall

exercise the Right of First Refusal to purchase the Premises in writing by notice sent to the Principal of the Association.

(D) From the date notice of the exercise of the Right of First Refusal is received by Association, the City shall have a period of six (6) months within which to complete and close upon the acquisition. At the time of any such closing, Association shall deliver to City marketable title to the Premises, subject only to public easements of record, easements of record, and any rights reserved to Association for land exchange pursuant to this Agreement or the Use Agreement.

(E) In the event that the Right of First Refusal is not exercised by the City or is not closed upon within the time limits specified above, the Right of First Refusal shall terminate and shall no longer be effective with respect to the Premises.

(F) Upon exercise of the Right of First Refusal, the City shall pay the Association the fair market value of the Premises. In the event the parties cannot agree upon the fair market value of the Premises, they shall refer the matter to a committee of appraisers for a decision that shall be binding upon the parties. The committee shall be comprised of an appraiser selected by the Association, an appraiser selected by the City, and a third appraiser selected by both parties. Each party shall bear the expenses of its own appraiser, and the parties shall share equally the expenses of the third appraiser.

(G) For purposes of valuation, the Premises shall be valued in conjunction with the School Site parcel utilizing the same zoning as that parcel. The date of valuation shall be the date the Option was exercised. Valuation shall assume that all special assessments are paid.

(H) All special assessments levied at the date of the exercise of the Right of First Refusal by the City shall be paid by the Association. Any special assessments which are levied after the exercise of the Right of First Refusal shall be the responsibility of the City. Taxes, if any, due and payable on the date of exercise of the Right of First Refusal shall be paid in accord with the terms of this Agreement. Taxes which become due and payable thereafter shall be the sole responsibility of the City.

(4) TITLE AND CLOSING.

In the event that City exercises its Right of First Refusal to purchase the Premises, within a reasonable time after notice thereof the Association shall furnish the City with abstract of title for the Premises certified to date and including proper searches, including bankruptcies, and state and federal judgments and liens. The City will be allowed twenty (20) days after receipt of the updated abstracts to examine same and to make any objections to the marketability of title to the Premises, said objections to be made by written notice or to be deemed waived. If any objections are so made to the marketability of title to the Premises, the Association shall immediately commence and diligently endeavor to complete

all actions necessary to cure such objections and shall be allowed 180 days after the making of such objections by the City to cure such objections and make the Premises good and marketable in the Association. Pending the correction of title, the closing and payments hereunder shall be postponed, but upon correction of title and within ten (10) days after written notice of such correction given by the Association to the City, the parties shall perform the agreement according to its terms. If the title to the Premises is not good and marketable of record in the Association and is not made so within one hundred eighty (180) days after the date of making written objections thereto, or is not good and marketable of record in the Association at the closing date, the City may either:

(A) Terminate the Right of First Refusal by giving written notice to the Association in which event the Right of First Refusal shall become null and void; or

(B) Elect to accept the title in its unmarketable condition by giving written notice to the Association, in which event the City may hold back adequate funds from the purchase price to cure the defects and apply said holdback funds for the cost of curing such defects, including attorney's fees, and pay the unexpended balance to the Association.

(5) WATERMAIN

An old water line owned by the City lies below the north end of the building on the School Site. This line was abandoned and a new line built in 1989 at the City's expense in

conjunction with a prior purchase agreement between the School District, the City, and a third party. The City again agrees to assume the cost of this relocation as part of this Agreement.

(6) EXCHANGE OF LAND

The Association and the City agree to an exchange of lands at no additional consideration to either party.

(A) Upon the completion of a replatting of the School Site and adjacent City lands, the Association shall transfer to the City fee title to a strip of land measuring approximately 31' x 275' and encompassing the existing parking lot located on the School Site. Such strip shall hereinafter be referred to as "Parcels 1."

(B) Upon the completion of a replatting of the School Site and adjacent City lands, the City shall transfer to the Association fee title to a strip of land measuring approximately 20' x 428' and lying adjacent to the easterly boundary of the Premises. Such strip shall hereinafter be referred to as "Parcel 2."

(C) The locations of Parcels 1 and 2 are as depicted on Exhibit D hereto. The exact dimensions of said parcels shall be determined by mutual agreement of the parties based upon their review of the locations of the improvements, trees, and other on-site items of concern, as shown by survey(s). The City shall for this purpose obtain, at its expense, a survey of the School Site and adjacent City lands; a copy of the survey shall be provided to the Association at no cost.

(D) Title to the parcels of land to be exchanged by the parties hereunder shall be good and marketable title, subject only to public easements of record.

(E) In connection with the land exchange, the Association shall execute a recordable Use Agreement with respect to Parcel 2. Such agreement shall, insofar as is relevant and applicable, contain the same provisions with respect to Parcel 2 as Exhibit C hereto contains with respect to the Premises.

(7) PLATTING

For the purposes of the land exchanges and the creation of a separate lot for the Premises, the School Site and the adjacent City lands shall be replatted.

(A) The City shall assume responsibility for such platting and for the costs and expenses thereof.

(B) The Association agrees to cooperate as necessary for the completion of the replatting process. Such cooperation will include execution of the plat and dedication of easements reasonably required in connection with the plat approval, including easements for existing public improvements such as the tennis courts and watermain.

(C) The platting process is intended to result in the creation of separate lots for the Premises, Parcels 1 and 2, the remaining portion of the School Site, and the remaining portion of the City's adjacent lands.

(8) ADJACENT PUBLIC LANDS

(A) The Association desires to utilize the tennis,

baseball and softball facilities of the City on the adjacent public lands for the athletic and recreational programs of Association. The City acknowledges this interest and expresses its willingness to make these City facilities available for use by the Association on the same basis and for the same fees (if any) as the fields are used by other City residents and organizations.

(B) It is understood, however, that, while the City will make reasonable, good faith efforts to accommodate the Association's scheduling needs for these facilities, the needs of the Association will by necessity be addressed within the larger context of community-wide needs for use of the facilities or for possible alternative uses of or sale of the facilities by the City. Due to these various needs and ~~uncertainties, the City cannot guarantee that the facilities~~ will be available in the future at all times desired by the Association. The Association understands and accepts these limitations.

(C) Before the City shall change or eliminate any of the athletic facilities presently existing on the adjacent public lands (to wit: one tennis court facility, 1 baseball field, 4 softball fields, seasonal shelter building, and playground apparatus) it shall notify the Association of such changes and conduct a public hearing thereon if requested to do so by the Association.

(D) In addition, should the City modify the existing athletic facilities on the adjacent lands such that the

modifications result in a playground containing less than one tennis court facility, one baseball field, and two softball fields, then the Association shall have the right to terminate all use rights of the City pursuant to the Use Agreement.

(E) The City recognizes that the Association may desire in the future to utilize the Premises for a track facility and that location of such a facility might require some impingement into adjacent public lands. The City states that it will entertain future requests of the Association for an easement permitting such impingement and will not unreasonably deny such a request upon review of the proposal and any impacts it may have on existing and future uses of the public lands.

(8) RIGHT OF FIRST REFUSAL TO PURCHASE

(A) The Association hereby grants to City the right of first refusal to purchase (the "Right of First Refusal") the Premises in accord with the terms and conditions of this Agreement and the Use Agreement. Where language in this paragraph or Agreement refers to the "Association," it shall be interpreted to mean the current owner of the School Site if the owner is other than the Association.

(B) The Right of First Refusal shall be exercised, if at all, by City upon the proposed sale of School Site and the Premises to a third party by Association. The Association shall declare such intention of proposed sale in writing to the City pursuant to the Use Agreement.

(C) The City shall have thirty (30) days from receipt of the Notice of Declaration from Association in order to exercise the Right of First Refusal. The City shall exercise the Right of First Refusal to purchase the Premises in writing by notice sent to the Principal of the Association.

(D) From the date notice of the exercise of the Right of First Refusal is received by Association, the City shall have a period of six (6) months within which to complete

and close upon the acquisition. At the time of any such closing, Association shall deliver to City marketable title to the Premises, subject only to public easements of record, easements of record, and any rights reserved to Association for land exchange pursuant to the Agreement or the Use Agreement.

paid by the Association. Any special assessments which are levied after the exercise of the Right of First Refusal shall be the responsibility of the City. Taxes, if any, due and payable on the date of exercise of the Right of First Refusal shall be paid in accord with the terms of this Agreement.

Taxes which become due and payable thereafter shall be the sole responsibility of the City.

(9) TITLE AND CLOSING.

In the event that City exercises its Right of First Refusal to purchase the Premises, within a reasonable time after notice thereof the Association shall furnish the City with abstract of title or registered property abstract for the Premises certified to date and including proper searches, including bankruptcies, and state and federal judgments and liens. The City will be allowed 20 days after receipt of the updated abstracts to examine same and to make any objections to the marketability of title to the Premises, said objections to be made by written notice or to be deemed waived. If any objections are so made to the marketability of title to the Premises, the Association shall immediately commence and diligently endeavor to complete all actions necessary to cure such objections and shall be allowed 180 days after the making of such objections by the City to cure such objections and make the Premises good and marketable in the Association. Pending the correction of title, the closing and payments hereunder shall be postponed, but upon correction of title and within 10 days after written notice of such correction given by the

Association to the City, the parties shall perform the agreement according to its terms. If the title to the Premises is not good and marketable of record in the Association and is not made so within 180 days after the date of making written objections thereto, or is not good and marketable of record in the Association at the closing date, the City may either:

(A) Terminate the Right of First Refusal by giving written notice to the Association in which event the Right of First Refusal shall become null and void; or

(B) Elect to accept the title in its unmarketable condition by giving written notice to the Association, in which event the City may hold back adequate funds from the purchase price to cure the defects and apply said holdback funds for the cost of curing such defects, including attorney's fees, and pay the unexpended balance to the Association.

(10) WATERMAIN.

An old water line owned by the City lies below the north end of the building on the School Site. This line was abandoned and a new line built in 1989 at the City's expense in conjunction with a prior purchase agreement between the School District, the City, and a third party. The City again agrees to assume the cost of this relocation as part of this Agreement.

(11) ADJACENT PUBLIC LANDS.

(A) The Association desires to utilize the tennis, baseball and softball facilities of the City on the adjacent public lands for the athletic and recreational programs of Association. The City acknowledges this interest and expresses

its willingness to make these City facilities available for use by the Association on the same basis and for the same fees (if any) as the fields are used by other City residents and organizations.

(B) It is understood, however, that, while the City will make reasonable, good faith efforts to accommodate the Association's scheduling needs for these facilities, the needs of the Association will by necessity be addressed within the larger context of community-wide needs for use of the facilities or for possible alternative uses of or sale of the facilities by the City. Due to these various needs and uncertainties, the City cannot guarantee that the facilities will be available in the future at all times desired by the Association. The Association understands and accepts these limitations.

(C) Before the City shall change or eliminate any of the athletic facilities presently existing on the adjacent public lands (to wit: one tennis court facility, 1 baseball field, 4 softball fields, seasonal shelter building, and playground apparatus) it shall notify the Association of such changes and conduct a public hearing thereon if requested to do so by the Association.

(D) In addition, should the City modify the existing athletic facilities on the adjacent lands such that the modifications result in a playground containing less than one tennis court facility, one baseball field, and two softball fields, then the Association shall have the right to terminate

all use rights of the City pursuant to the Use Agreement.

(12) SURRENDER OF USE AND HOLDING OVER. Upon expiration of the Use Term herein, whether by lapse of time or otherwise, City shall promptly and peacefully surrender use of the Premises to Association.

(13) DEFAULT AND REMEDIES.

(a) Events of Default. In the event that: The City fails to perform any obligation to be performed by it by the terms of the Agreement or this Use Agreement and fails to cure such default within thirty (30) days of written notice thereof; or City defaults in any of the covenants, agreements, stipulations or conditions herein contained and fails to cure such default within thirty (30) days of written notice thereof, the occurrence of such event shall be a breach of this Use Agreement and considered a default hereunder.

(b) Remedies in Default. Upon the occurrence of an event of default as set forth in this paragraph 13, the Association shall, at its option, at any time thereafter, give thirty (30) day written notice by certified mail to City, specifying such event of default and stating that the term and use hereby granted shall expire and terminate on the date specified in such notice. Thereafter, City shall surrender the use of the Premises to Association.

(c) Cumulative Rights. No right or remedy herein conferred upon or reserved to Association is intended to be exclusive of any other right or remedy herein or by law provided, but each shall be cumulative and in addition to every

other right or remedy given herein or not hereafter existing at law or in equity or by statute.

(d) Effect of Waiver of Forbearance. No waiver by Association of any breach by City of any of its obligations, agreement, or covenants hereunder shall be a waiver of any subsequent breach or of any obligation, agreement, or covenant, nor shall any forbearance by Association of its rights and remedies with respect to such or any subsequent breach constitute such a waiver.

CROSS PARKING AGREEMENT

This Cross Parking Agreement is made this 20th day of December, 1993, by and between LUTHERAN HIGH SCHOOL ASSOCIATION OF GREATER MINNEAPOLIS, a Minnesota corporation, 8201 Park Avenue, Bloomington, Minnesota 55420 ("Lutheran") and THE CITY OF BLOOMINGTON, a Minnesota municipal corporation, 2215 West Old Shakopee Road, Bloomington, Minnesota 55431 (the "City").

RECITALS

Lutheran is the owner in fee simple of the real property situated in Hennepin County, Minnesota, and legally described as Lot 2, Block 1, Smith Park 2nd Addition ("Lutheran Parcel"). The City is the owner in fee simple of the real property situated in Hennepin County, Minnesota, and legally described as Lot 1, Block 1, Smith Park 2nd Addition ("City Parcel"). Pursuant to the requirements of plat approval for the plat of Smith Park 2nd Addition and final development plan approval for the Lutheran Parcel, Lutheran and the City desire to enter into a cross parking agreement permitting each party certain non-exclusive parking rights over a portion of each other's property.

NOW, THEREFORE, in consideration of the Recitals (which are incorporated herein), the mutual covenants contained herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

(1) City Parking Rights. Lutheran, for the benefit of the City Parcel, hereby grants to the City non-exclusive parking rights over and across that portion of the Lutheran Parcel parking lot depicted on Exhibit A hereto ("City Parking Tract"). The City Parking Tract is located in the northwesterly portion of the Lutheran Parcel, near the City tennis courts and playground apparatus and west of the school building. It consists of two segments: (a) the northern segment, "A", which is approximately 90' by 78' in size; and (b) the southerly segment, "B", which is approximately 50' by 140' in size.

(2) Lutheran Parking Tract. The City, for the benefit of the Lutheran Parcel, hereby grants to Lutheran non-exclusive parking rights over and across that portion of the City Parcel parking lot depicted on Exhibit B hereto ("Lutheran Parking Tract"). The Lutheran Parking Tract is located in the most southerly southwestern corner of the City Parcel, consists of the existing paved parking lot at that location, and is approximately 60' by 234' in size.

(3) Maintenance, Repairs. All costs of maintaining and repairing the parking tract within each parcel shall be borne solely by the respective owner of that parcel.

(4) Use of Parking Tracts. Neither party shall allow any barrier, curbing, fencing, landscaping, or other obstruction on any portion of its parcel so as to interfere in any way with the use of the parking tract thereon.

(5) Indemnification. Each party agrees to indemnify and hold harmless the other party from any claims, suit, injury, liabilities, loss, damages, expenses, or fees, including without limitation, reasonable attorney's fees, arising out of or resulting from the use of the parking tract located on the indemnifying party's parcel, except for such matters as arise from the negligent act or omission or willful misconduct of the other party or their officials, representatives, employees, or agents.

(6) Relocation of Easement Tracts. Each party reserves the right to modify or adjust the location or configuration of the parking tracts located upon their respective parcels, should development of, or site modifications to, the parcels reasonably require such action. In such event, thirty (30) days' prior written notice of the proposed action shall be provided to the other party. The amount of parking area within the parking tract may not be modified pursuant to this provision, however.

(7) Termination. Either party may terminate this agreement upon thirty (30) days' prior written notice to the other party, if further development of the notifying party's parcel, additional parking needs of the notifying party, or a pending sale of the notifying party's parcel reasonably necessitate cancellation of the other party's parking rights in the parcel. It is understood, however, that modification of the conditions of plat approval for Smith Park 2nd Addition and of final development plan approval for the Lutheran Parcel would also be required to prevent such termination from becoming a violation of those conditions. This agreement may also be terminated without cause by either party if the condition of a cross parking agreement is ever deleted from the conditions of approval of said plat and final development approval.

(8) Miscellaneous.

(01) All headings herein are for convenience and reference only and in no way define or limit the scope or contents of this agreement.

(02) No delay or omission by Lutheran or the City in the exercise of any rights under this agreement shall impair any such right or be construed to be a waiver thereof. Any waiver by Lutheran or the City of any covenant hereof shall not be construed to be a waiver of any later breach hereof.

(03) Any notice, request, or demand required or permitted under this agreement shall be in writing and shall be deemed given when personally served or three (3) days after deposited in the United States mail, certified mail, return receipt requested, postage prepaid and addressed to the appropriate party at the applicable address in the first paragraph of this agreement. Either party may change its address for notice purposes by notice to the other, given in the manner provided above.

(04) This agreement shall be governed and construed in accordance with the laws of the State of Minnesota and enforced in courts having venue within the State of Minnesota.

(05) If any provision of this agreement or the application thereof to any person or circumstance shall to any extent be invalid or unenforceable, the remainder of this agreement or the application of such provision to any other person or circumstance shall

not be affected thereby. Each provision of this agreement shall be valid and enforceable to the fullest extent permitted by law.

(06) This agreement shall be amended or modified only by a written agreement signed by the parties hereto.

(07) The covenants herein shall run with the land and shall inure to the benefit of, and be binding on, the parties hereto and their successors and assigns, including all parties with an interest in the Lutheran Parcel and the City Parcel.

(08) Each party hereto shall maintain general liability insurance providing coverage with respect to matters occurring on their respective parcels.

IN WITNESS WHEREOF, the parties hereto have executed this Cross Parking Agreement as of the date first written above.

RE: SMITH PARK AND LUTHERAN HIGH SCHOOL PROPERTY
IMPROVEMENTS, LEASES, EASEMENTS AND USE

THIS AGREEMENT is made this 17th day of May, 1999,

by and between the City of Bloomington, a municipal corporation under the laws of Minnesota, 2215 West Old Shakopee Road, Bloomington, Minnesota 55431 (hereinafter referred to as the "City"), and Lutheran High School Association of Greater Minneapolis, a non-profit association organized under the laws of Minnesota, located at 8201 Park Avenue South, Bloomington, Minnesota 55420 (hereinafter referred to as "LHSA").

RECITALS

WHEREAS, the City recognizes the need for more recreational facilities for the benefit and enjoyment of the public; and

WHEREAS, the City and LHSA desire to share recreational facilities owned by each other and share in the related maintenance costs; and

WHEREAS, LHSA is planning to construct a new gymnasium and fine arts center and adjoining parking lots as part of its school complex at some undetermined time in the future; and

WHEREAS, the City and LHSA worked cooperatively to develop a master plan in 1998 to upgrade the facilities at Smith Park, which adjoins the Lutheran High School complex; and

WHEREAS, the City and LHSA desire to coordinate the separate construction projects in the vicinity, recognizing that each construction project will impact the other;

and

WHEREAS, the City and LHSA acknowledge that such coordination will result in savings and efficiencies in the cost of the separate construction projects; and

WHEREAS, the City and LHSA desire to share some of the costs of the improvements.

NOW, THEREFORE, in consideration of the recitals stated above and the mutual covenants stated below, the parties agree as follows.

AGREEMENT

1. **North Parking Lot Construction.** The City and LHSA had previously verbally agreed to split evenly (50%-50%) the cost of the following construction projects: construction of and lighting of the north and center parking lots; removal of the current northern parking lot entrance; construction of a new northern entrance to the parking lot aligned with 82nd Street; and widen the southern parking lot entrance from 24' to 30' at the curb. Based on this verbal agreement, the City contracted the Richard Knutson Co. (City Improvement Project #98-903) to perform the above construction projects. Since LHSA has now indefinitely postponed their construction plans, LHSA no longer wants to participate in the above construction projects. Accordingly, the City has entered into negotiations with the Richard Knutson Co. to amend the contract as it applies to the above construction projects. The following construction projects have been deleted from the City's contract with the Richard Knutson Co.: construction and lighting of the center parking lot; removal of the current northern parking lot entrance; construction of a new northern entrance to the parking lot aligned with 82nd Street; and widen the southern

parking lot entrance from 24' to 30' at the curb. Since LHSA opted out of above construction projects after the contract had been let with the Richard Knutson Co., LHSA shall reimburse the City for the charges associated with amending the contract and redesign charges. The City agrees to place a cap of \$2,500 on the contract amendment and redesign charges that LHSA shall reimburse to the City. The City shall proceed with the construction and lighting of the north parking lot and a driveway connection to LHSA's northern parking lot driveway. The City shall solely bear all expenses associated with the construction of the north parking lot, including the connecting driveway to LHSA's northern parking lot driveway. Since the City solely bears all expenses associated with the construction of the north parking lot and driveway, LHSA will not be allowed to count the City's north parking lot towards their parking capacity calculations for future LHSA facility construction projects. However, LHSA may count the City's north parking lot towards their parking capacity calculations at some point in the future provided LHSA reimburses the City for 50% of the actual original construction costs associated with the construction of the north parking lot and driveway within 25 years from the execution of this agreement.

2. **N.S.P. Right-of-Way.** The City and LHSA are both currently negotiating with N.S.P. to acquire the transmission line right-of-way property between East 81st Street and East 83rd Street currently owned by N.S.P. Regardless of which party, the City or LHSA, acquires the N.S.P. right-of-way property, the owner shall provide an easement for \$1.00 to effectuate the usage agreement as detailed in this Agreement. If neither party, the City or LHSA, acquires the N.S.P. right-of-way property, the City and

LHSA agree to negotiate necessary lease agreements and permanent easements with N.S.P. for the use of right-of-way currently owned by N.S.P. for: (a) access from Park Avenue onto and across the right-of-way to Lutheran High School and City properties; (b) placement of City constructed and owned parking lots and lighting; (c) maintenance of the parking lot and adjacent properties; (d) placement of a linear trail, 12 feet in width, along the right-of-way.

3. **Football/Soccer Field Construction.** The City and LHSA agree to split evenly the cost (50%-50%) for the renovation of the football/soccer field located on LHSA property. The renovation shall include: architectural design fees, the import of sub-soils; the grading and crowning of the field; the removal and reinstallation of the scoreboard; sodding the field; and the installation of an irrigation system. The City has contracted with the Richard Knutson Co. (City Improvement Project #98-903) for the above items with the exception of the irrigation system which LHSA will contract to install. The City agrees to place a cap of \$49,100 on LHSA's share of the above construction costs, excluding the installation of the irrigation system. LHSA agrees to place a cap of \$3,000 on the City's share of the irrigation system installation costs.

4. **Water Fountain, Water Spigot and Waterlines.** LHSA shall contract to install underground waterlines for the City which will serve a water fountain and water spigot (located adjacent to the baseball field) which the City will install. LHSA shall provide the water source at their building for the waterline serving the water fountain and the waterline serving the water spigot. The City agrees to cover all costs associated with the installation of the waterlines, water fountain, water spigot, and hook-up to the water

source at the LHSA building. LHSA agrees to place a cap of \$1,000 on the City's cost for installing the waterlines and water hook-up. LHSA shall coordinate the installation of the waterlines with the installation of the irrigation system on the football/soccer field. LHSA agrees to be responsible for the water charges associated with the operation of the water fountain and water spigot for a period of 25 years from the execution of this agreement. LHSA agrees to grant to the City an easement for the waterline serving the water fountain and the waterline serving the water spigot. The City agrees to vacate the easement for the waterlines in the event LHSA constructs additional facilities on the east side of its existing building, on the condition that the easement vacated shall be only that part where the new building will conflict with the easement and LHSA agrees to re-connect the waterlines to its building.

5. **Football/Soccer Field Maintenance.** The City agrees to be responsible for maintaining the football/soccer field, football/soccer field irrigation system, water fountain, water spigot, waterlines and football practice area (located immediately south of the football/soccer field) for a period of 25 years from the execution of this agreement. LHSA agrees to provide the City access to that portion of LHSA school building where the irrigation controls and water hook-ups are located to facilitate City maintenance of the irrigation system, waterlines, water fountain and water spigot. LHSA shall provide the City with an emergency LHSA staff call-in list to facilitate City access to the LHSA school building when the school building is closed. LHSA agrees to be responsible for the water charges associated with the operation of the irrigation system, water fountain and water spigot for a period of 25 years from the execution of this agreement. The term

of the football/soccer field maintenance agreement shall be for 25 years from the execution of this agreement with the City and LHSA having the option to renew the football/soccer field maintenance agreement at the end of the 25 years for an additional 10 years with the same terms and conditions.

6. **Facility Lighting.** The City at its sole expense shall install underground electrical wiring, light poles and light fixtures for the following facilities on City, LHSA and N.S.P. property: new northern parking lot and driveway; trails; tennis and basketball courts/hockey rink; general skating rink; baseball field and softball field #2. In addition, the City at its sole expense shall install underground electrical wiring to facilitate future lighting of the football/soccer field, Chicago parking lot and softball field #1. LHSA agrees to grant to the City an easement for the placement of underground electrical wiring, light poles and light fixtures as described in the Smith Park Electrical Plan developed for the City by Short Elliott Hendrickson, Inc. in May, 1999. The City shall be responsible for maintaining the electric underground wiring, light poles, and light fixtures. The City shall also be responsible for all electric power costs associated with the operation of the above light fixtures. The City and LHSA shall jointly undertake to light the football/soccer field at such time or times as the parties shall mutually agree and as necessary funds are available. The City and LHSA agree to split evenly the cost (50%-50%) for lighting the football/soccer field.

7. **Athletic Field Usage.** The City and LHSA agree to share usage of the athletic fields located on City property in Smith Park and on LHSA property as detailed in the 1998 Smith Park master plan. These athletic fields include the football/soccer

field, the football practice area, the baseball field and softball fields #1 & #2. The City shall be responsible for scheduling usage and shall have first priority usage of all athletic fields located on City property in Smith Park (baseball field and softball fields #1 & #2). LHSA shall be responsible for scheduling usage and shall have first priority usage of all athletic fields located on LHSA property (football/soccer field and football practice area). The City agrees to provide LHSA usage of the baseball field and softball fields #1 & #2 as follows:

- a. During the months of April, May, August, September and October weekdays prior to 6:00 p.m. or until the completion of scheduled LHSA interscholastic games.
- b. Usage of the baseball field outfield during the months of August, September and October weekdays prior to 6:00 p.m. for football or soccer practices.

LHSA agrees to provide the City usage of the football/soccer field and football practice area as follows:

- a. During the months of April, May, August, September and October weekdays after 6:00 p.m. or after the completion of scheduled LHSA interscholastic games.
- b. During the months of April, May, June, July, August, September and October on weekends, except for those dates scheduled by LHSA for football camps, soccer camps, and LHSA interscholastic games or scrimmages. LHSA agrees to guarantee that the City shall have usage of the football/soccer field and football practice area a minimum of seven Saturdays during the months of September and October. During the months of August, September and October City usage of the football/soccer field shall be limited to games only to limit wear on the turf.
- c. During the months of June and July on weekdays after 6:00 p.m.
- d. During the months of June and July on weekdays prior to 6:00 p.m., except for those dates scheduled by LHSA for football camps or soccer camps.

The term of the athletic field usage agreement shall be for 25 years from the execution of this agreement with the City and LHSA having the option to renew the athletic field

usage agreement at the end of the 25 years for an additional 10 years with the same terms and conditions.

8. **Tennis and Basketball Courts; Hockey Rink.** LHSA agrees to enter into a lease agreement with the City for \$1.00 allowing the placement by the City of two public tennis courts, one basketball court, and in the winter, one hockey rink on LHSA property to the north of the football field as detailed in the 1998 Smith Park master plan. The City agrees to pay for the cost of the construction of the courts and rink and LHSA shall not be responsible for any such payment. The tennis courts shall be lighted and can be flooded during the winter months for a hockey rink. By leasing the property, the City agrees to indemnify LHSA pursuant to this Agreement. The City agrees to vacate the existing tennis court easement. The City also agrees to be responsible for maintaining the tennis and basketball courts along with the hockey rink in winter months pursuant to this agreement. Once the courts and rink are constructed, the City agrees to the following use of the facilities:

a. LHSA shall have use of the tennis courts weekdays prior to 6:00 p.m. during the months of September, October, April, and May. The general public will be allowed access to the tennis court during the above dates and times whenever LHSA is not using the courts.

b. LHSA shall have the use of the basketball court weekdays prior to 3:00 p.m. during the months of September, October, April, and May. The general public will be allowed access to the basketball court during the above dates and times whenever LHSA is not using the court.

c. LHSA shall have use of the hockey rink weekdays prior to 3:00 p.m. from December 20 through February 15 (weather permitting). The general public will be allowed access to the hockey during the above dates and times whenever LHSA is not using the rinks.

The term of the lease agreement shall be for 25 years from the execution of this agreement with the City and LHSA having the option to renew the lease agreement at the end of the 25 years for an additional 10 years with the same terms and conditions.

9. **General Skating Rink.** LHSA agrees to enter into a lease agreement with the City for \$1.00 allowing the placement by the City in the winter of a general skating rink on LHSA property to the west and north of the tennis/basketball courts (where the tennis courts were previously located and the future fine arts center is proposed to be located). The City agrees to pay for the cost of the grading of the general skating rink area and LHSA shall not be responsible for any such payment. The term of the lease shall be for one year from the execution of this agreement with an annual roll-over clause with the same terms and conditions. Either the City or LHSA may terminate the general skating rink usage agreement upon sixty (60) days written notification. By leasing the property, the City agrees to indemnify LHSA pursuant to this Agreement. The City agrees to vacate the existing tennis court easement. The City also agrees to be responsible for maintaining the general skating rink in winter months. Once the general skating rink area is constructed, LHSA shall have use of the general rink weekdays prior to 3:00 p.m. from December 20 through February 15 (weather permitting). The general public will be allowed access to the general skating rink during the above dates and times whenever LHSA is not using the rink.

10. **Indemnification.** The City agrees to defend, indemnify, and hold harmless LHSA and its officials, employees, and agents, from any and all claims, causes of action, lawsuits, damages, including reasonable attorney fees, arising out of claims

from accidents or injuries from the City's and general public's use of Smith Park and the following LHSA property: football/soccer field, football practice area, parking lots, general skating rink, tennis and basketball courts, hockey rink, waterline easement, underground electrical wiring easement, light posts and light fixtures easement. LHSA agrees to defend, indemnify, and hold harmless the City and its officials, employees, and agents, from any and all claims, causes of action, lawsuits, damages, including reasonable attorney fees, arising out of claims from accidents or injuries from LHSA's use (includes use by LHSA and direct subsidiaries of LHSA) of Smith Park and the above listed LHSA property. In entering into this indemnification agreement, the City does not waive the governmental immunity and damage caps afforded government in Minnesota law. The City and LHSA shall maintain general comprehensive insurance in amounts at least equal to the statutory limits for cities under Minnesota Statutes, Section 466 during the terms of this agreement. The term of the indemnification agreement shall be for 25 years from the execution of this agreement with the City and LHSA having the option to renew the indemnification agreement at the end of the 25 years for an additional 10 years with the same terms and conditions.

11. **Joint Use of Parking Facilities.** The City and LHSA agree to jointly use the parking lots located along Park Avenue on LHSA, City, and N.S.P. properties between 81st and 83rd Streets. The City and LHSA also agree to coordinate event schedules to minimize parking conflicts. The term of the parking facilities agreement shall be for 25 years from the execution of this agreement with the City and LHSA having the option to renew the parking facilities agreement at the end of the 25 years for

an additional 10 years with the same terms and conditions. The parties agree to execute the necessary easements to effectuate this agreement. If either party acquires the N.S.P. portion of the property, the owner shall provide an easement for \$1.00 to effectuate this usage agreement.

12. **Maintenance of Parking Lots.** The City and LHSA shall separately maintain their parking lots along Park Avenue on LHSA, City, and N.S.P. property between 81st and 83rd Streets.

13. **Relocation of Water Main.** The City and LHSA agree to evenly split (50%-50%) the cost of the relocation of the 16-inch water main currently located on the future site of the LHSA's proposed fine arts center. The City agrees to contract for the water main relocation and LHSA shall reimburse the City for 50% of the associated costs, currently estimated at \$13,860. In the event of unforeseen cost over runs, the City agrees to place a cap of \$2,000 of LHSA's share of these cost over runs. The City also agrees to vacate the existing drainage and utility easement for the existing water main located on LHSA property. The drainage and utility easement vacated shall be only that part of LHSA property from which the water main is relocated.

14. **Assessment and Billing.** The City shall assess LHSA in an amount not to exceed \$67,460 no later than October 15, 1999. This amount includes LHSA's share of football/soccer field construction costs, architectural fees, contract amendment charges, redesign charges and water main relocation costs (including any unforeseen cost over runs for the water main relocation). The City agrees to assess LHSA for the above costs over a period not to exceed 10 years at an annual interest rate of 7%. LHSA shall make

payments following the County's tax collection schedule which requires payments twice a year in equal installments for the term of the assessment. LHSA may pay off the balance of the assessment at any time during the term of the assessment with no pre-payment penalties, thus saving the balance of interest charges. LHSA shall bill the City in an amount not to exceed \$4,000 no later than October 15, 1999. This amount includes the City's share of football/soccer field irrigation system installation system. The City agrees to remit payment to LHSA within 60 days of receipt of billing.

15. **Amendment.** This Agreement may be amended, in writing, as the parties may mutually agree.

16. **Successors and Assigns.** The Agreement shall be binding upon and inure to the benefit of the parties and their respective successors and assigns.

17. **Governing Law.** The City and LHSA agree that this Agreement shall be governed by Minnesota law.

18. **Remedies.** The parties agree that whenever any default of obligations by one of the parties occurs, the other party may take whatever action at law or in equity may appear necessary for the enforcement of this Agreement.

19. **Appendix.** The August 14, 1990, agreement between LHSA and the City regarding maintenance of the football/soccer field is incorporated into this agreement by reference and is attached to this Agreement in the Appendix.

ADDENDUM TO AGREEMENT BETWEEN THE CITY OF BLOOMINGTON AND LUTHERAN HIGH SCHOOL OF GREATER MINNEAPOLIS RE: SMITH PARK AND LUTHERAN HIGH SCHOOL PROPERTY IMPROVEMENTS, LEASES, EASEMENTS AND USE

THIS ADDENDUM AGREEMENT is made this 26TH day of
JUNE 2000, by and between the City of Bloomington, a municipal
corporation under the laws of Minnesota, 2215 West Old Shakopee Road, Bloomington,
Minnesota 55431 (hereinafter referred to as the "City"), and Lutheran High School
Association of Greater Minneapolis, a non-profit association organized under the laws of
Minnesota, located at 8201 Park Avenue South, Bloomington, Minnesota 55420
(hereinafter referred to as "LHSA").

RECITALS

WHEREAS, the City and LHSA have previously entered into an agreement dated May
17, 1999 (the "Agreement"), for the improvements, leases, easements and uses of Smith
Park/LHSA property for recreational and athletic purposes; and

WHEREAS, pursuant to the Agreement the City paid LHSA a total of \$7,706 for the
City's share of the expenses for Smith Park/LHSA property survey work and the
installation of an irrigation system on the LHSA football/soccer field; and

WHEREAS, pursuant to the agreement LHSA has been assessed a total of \$52,636 for
LHSA's share of the expenses for football/soccer field construction costs, architectural
fees, contract amendment charges, redesign charges and water main relocation costs; and

WHEREAS, this Addendum is created for the purpose of revising Chapter 6 of the Agreement titled Facility Lighting to facilitate the installation, operation and maintenance of athletic field lighting on the football/soccer field. In Chapter 6, the Agreement currently states in part that "The City and LHSA shall jointly undertake to light the football/soccer field at such time or times as the parties shall mutually agree and as necessary funds are available. The City and LHSA agree to split evenly the cost (50%-50%) for lighting the football/soccer field." As it is the desire of both the City and LHSA to proceed immediately with lighting the football/soccer field, this Addendum is required.

NOW, THEREFORE, in consideration of the recitals stated above and the mutual covenants stated below, the parties agree as follows.

1. **Football/Soccer Field Lighting.** LHSA shall contract to furnish and install light poles and fixtures that meet the City's specifications for athletic field lighting. LHSA shall obtain a minimum of three price quotes for the football/soccer field lighting and shall award the contract to the vendor with the lowest responsible price quote. Per the Agreement, the City and LHSA agree to split evenly the cost (50%-50%) for lighting the football/soccer field. LHSA agrees to place a cap of \$30,000 on the City's share of the costs for lighting the football field. LHSA agrees to install the football/soccer field lighting by December 31, 2000. LHSA shall bill the City once the football/soccer field lighting has been installed to the mutual satisfaction of LHSA and the City. The City agrees to remit payment

within 30 days of receipt of billing and upon acceptance by the City of the lighting installed.

2. **Football/Soccer Field Lighting Electrical Service.** Per the Agreement, the City at its sole expense has installed underground electrical wiring and controls to service the football/soccer field lighting. The controls for the football/soccer field are located in the electrical service building in Smith Park. LHSA at its sole expense shall connect the light poles and fixtures to the existing underground electrical wiring and controls. LHSA shall utilize a licensed electrician to complete this work and shall comply with all appropriate electrical codes. The City shall provide a copy of the football/soccer field electrical wiring plans and specifications to LHSA. The City shall issue a key to LHSA for the Smith Park electrical service building.
3. **Football/Soccer Field Lighting Maintenance.** While LHSA shall own the football/soccer field light poles and fixtures, the City agrees to be responsible for the routine maintenance of the football/soccer field lighting beyond the manufacturer's warranty. Routine maintenance shall include parts, labor and lamps. The City shall not be responsible for repairs or replacement of poles or fixtures due to catastrophic events or acts of God. LHSA agrees to grant an easement to the City for the purpose of maintaining the lighting on the football/soccer field. The City shall be responsible for all power costs associated with the operation of the football/soccer field lighting. The term of this Addendum shall coincide with the term of the Agreement (25 years from the execution of the Agreement with the City and LHSA having the option to renew

the football/soccer field lighting maintenance agreement at the end of 25 years for an additional 10 years with the same terms and conditions.)

4. **Football/Soccer Field Lighting Usage.** LHSA may use the football/soccer field lighting for events scheduled on the football/soccer field. The usage schedule of the football/soccer field is defined in the Agreement. LHSA agrees to comply with City policy that requires athletic field lighting be shut off by 11:00 p.m. The controls for the football/soccer field are located in the electrical service building in Smith Park. The City shall issue a key to LHSA for the Smith Park electrical service building to facilitate LHSA's access to the football/soccer field lighting controls. The only time LHSA may gain access to the Smith Park electrical service building is for use by LHSA for LHSA events at the football/soccer field.

DEVELOPMENT AGREEMENT

THIS AGREEMENT is made this 6th day of October, 2003, by and between the City of Bloomington, a municipal corporation under the laws of Minnesota, 1800 West Old Shakopee Road, Bloomington, Hennepin County, Minnesota 55431 (hereinafter referred to as the "City"), Lutheran High School Association of Greater Minneapolis, a non-profit association organized under the laws of Minnesota, located at 8201 Park Avenue South, Bloomington, MN 55420, the owner of the Property that is the subject of this Agreement (hereinafter referred to as the "Applicant").

RECITALS

The Applicant submitted a Development Application to the City for approval of a revised final development plan for a gymnasium with building option for gym storage space and additional restroom and shower facilities at 8201 Park Avenue (Case 8915A-03) in the City of Bloomington, Minnesota (hereinafter referred to as the "Property"). The Applicant had submitted an earlier revised final development plan that was approved

by the Bloomington City Council on June 1, 1998, subject to certain conditions, however that plan was not acted on by the Applicant. (Case 8915B-98).

The City Council of the City of Bloomington, Minnesota, at its regular meeting of August 18, 2003, approved the revised final development plan (Case 8915A-03) subject to certain new conditions, as well as modifying and incorporating the conditions it earlier placed on the development of this Property in Case 8915B-98. This action of the City Council was made contingent upon the Applicant's satisfaction of certain conditions on the Property and made subject to those conditions, as well as all City Code requirements.

The legal description for the Property is set forth in attached Exhibit A and is incorporated into this Agreement as if set forth fully herein.

This Agreement sets forth the obligations of the parties and the conditions that govern the development of the Property. It is intended to address the parties' compliance with the conditions the City Council placed on its approval of the revised final development plan (Case 8915A-03) and does not address other issues relating to public improvements, assessments, storm water charges, or other matters regarding or affecting the Property unless specifically set forth herein. This Agreement supersedes all other agreements, with respect to the issues it addresses, between the parties governing the development of the Property.

NOW THEREFORE, in consideration of the recitals stated above and the mutual covenants stated below, the parties agree as follows:

AGREEMENT

1. Obligations of the Applicant:

(a) Satisfaction of Conditions of Approval. The Applicant agrees that development of the Property shall be in conformance with all conditions set forth in attached Exhibit B, which is incorporated into this Agreement as if set forth fully herein.

The Applicant also agrees that any major change, as referenced in City Code Section 19.38.01(e)(7), to the revised final development plan shall require City Council approval and any minor change, as referenced in City Code Section 19.38.01(e)(6), shall require the approval of the City Planning Division.

(c) Compliance with Zoning Regulations. The Applicant agrees that any change to a use of the Property that is prohibited under the City's applicable R-1, Single-family Residential (Planned Development) zoning will require City Council approval of a revision of the zoning code.

2. Obligations of the City:

(a) Issuance of Permits. The City agrees to issue the necessary permits for the development of the Property subject to the satisfaction of conditions set forth in attached Exhibit B and compliance with all applicable City code provisions.

(a) The term "event of default" shall mean, whenever it is used in this Agreement (unless the context provides otherwise), any one or more of the following events:

(1) The failure of the Applicant to perform the obligations set forth in subparts (a), (b) and (c) of paragraph 1 ("Obligations of the Applicant") of this Agreement and to commence corrective measures to perform the obligations within sixty (60) days after receipt by the Applicant of written notice of such default by the City.

(a) Whenever any event of default of the Applicant occurs, the City may take whatever action at law or in equity as may appear necessary or desirable to the City to enforce performance and observance of this Agreement.

(b) A major change in the approved revised preliminary and final development plan by the Applicant shall require City Council approval in accordance with Bloomington City Code Section 19.38.01(e)(7), and any minor change in the development plans shall require City Planning Department approval if required pursuant to Bloomington City Code Sections 19.38.01(e)(6), and the City reserves its right to initiate such proceedings.

(c) A change to a use of the Property that is prohibited under the City's current zoning shall require City Council approval, and the City reserves its right to initiate the rezoning of the Property if the Applicant changes the Property to a use prohibited in the applicable approved zoning districts.

Once approved by the City Council, subsequent development plans and conditions shall become part of this Agreement and shall be fully binding upon the parties as if set forth herein. All such

additional documents affecting the development and use of this property shall be kept on file as a public record by the City of Bloomington, Director of Community Development.

8. Successors and Assigns:

This Agreement and all rights and responsibilities created thereby shall be binding upon and inure to the benefit of the parties and all of their respective successors and assigns.
